The Washington Post.â€¢The 2,500 gallons of milk were used to make cheese, and 6,000 gallons of â€¢drinking water.â€¢ The company said. Jan. 5, 2020 02:42AM. Creative Cloud, cloud-based product subscription, is included with Creative Cloud Subscription for the desktop and mobile app available at Creative Cloud. Adobe Creative Cloud services are offered as a subscription model that allows you to purchase individual products as needed, or access all of Adobe's digital content and apps through a monthly or annual subscription. Adobe Adobe is an American multinational software corporation whose flagship product is Adobe Systems' Creative Suite family of desktop software. The product is most notable for its use in the design, creation, and processing of images, video, and audio media. Creative Suite family The Creative Suite family of desktop software consists of a suite of creative tools and services integrated into a single package. Adobe markets the Creative Suite family as a single unified application suite for creating content and as a single coherent computing platform. Adobe has listed the following products under the family name: Product history The first version of the Creative Suite was Creative Suite 1, released on March 24, 1996. It includes all the tools necessary for creating high-end graphics and multimedia products for Microsoft Windows platforms, such as Photoshop, Dreamweaver, InDesign, Illustrator, and Premiere Pro. It has since been expanded to include additional tools for print design 3e33713323
