The epic free-to-play action game that revolutionized the multiplayer genre arrives on all devices with a built-in brand new battle system to truly bring players in touch with the action. • A deep tactical RPG battle system with deep customization and replayability. • Over 80+ Hero classes to choose from. • More than 100 Heroes to collect and enhance. • Evolve your character to make them better from deck-to-deck as you continue your journey through the game. • The thrill of close-quarter dogfights. The Arena is the newest chapter in the epic giant battle game that took over the world and became one of the most popular games. In The Arena you battle it out against waves of ferocious bosses and each fight has it's own strategy. Combine the power of all four elements (fire, water, wind, earth) to make your deck unstoppable. There are many different elements to choose from and each with it's own strengths and weaknesses. With a wide variety of deck styles and loadouts to pick from, there's an infinite number of possibilities.The Arena features: Unleash the power of your hero to battle wave upon wave of unrelenting enemies, and cover the world in the most epic arena battles! Invite friends to join you in the Arena anytime, anywhere, on any device! Unlock new skills, abilities, and weapons as you evolve your hero and find new decks and strategies for every fight! Choose from more than 70 unique Heroes and a wide variety of powerful battle decks – each with a unique flair and style. Battle in more than 50 intense arenas against all sorts of deadly enemies. Take to the skies, under the water, through the earth, or back to the prehistoric past. The Arena is evolving! About Not Doppler: Not Doppler is a Japanese game studio that's been working on high quality games since 2005. The developers have always focused on creating entertainment that piques the interest of players. This focus on creating quality is why we have been around for so long, and has allowed us to work with big companies like EA and Nintendo. We have worked with several acclaimed titles including Diablo III, Border Down, and Perfect World. Not Doppler games are always known to be fresh and exciting. In fact, the company has been awarded the "Game of the Year" title by Japanese media multiple times. We believe that by focusing on the quality of our games, we

Space Zombies Invasion - DLC 001 Features Key:

- Travel back to the 50's where outer space and alien invasion ravages the earth. Engage in the mecha action with a deep story driven RPG, plenty of features, and a ton of upgrades.
- **The Invasion** - The universe is under attack by alien forces that have left the planet in ruin. The only game in the universe that can stop them is the classic, fast-paced, mecha game for you to ride.
- **The Story** - From Earth to Earth Kingdom, the planet is in ruin. Even though the alien forces leave the planet in ruin, humanity and the technology continues to advance. It's up to the only two remaining mecha games, Time Force and Mashyuu, to unite the survivors and fight against the invaders.
- **Upgrades** - Gather all kinds of parts and upgrade your mecha to wield ultimate power against the enemy....

Space Zombies Invasion is a top-down shooter for the PC, Xbox 360 and PS3. Players take control of a tank, and attempt to destroy the invading alien robots and advance into the enemy base, while a horde of Zombies try to stop them. Players must use the auto rifle, or the ACR-90 by tapping the L2 and R2 buttons, to fire at the Zombies and then aim at the boss Alien robots. Zombies can be killed easily by the player, while the boss alien robots are more difficult to kill. Players must quickly swap to the Anti-Tank gun when necessary, to destroy the AI, as Zombies and boss robots are numerous. The game also features lots of collectibles, such as Energy (orange), Ammo (blue), Bar (brown), and key (green), the enemies and a lot more. Zombie Bosses The final boss is a big zombie that towers over the player, who must aim the ACR-90 to take down the giant creature. You can keep the boss leveled off with a special weapon, the Bar, which can also be picked up from fallen enemies. There are more than 10 challenging bosses, 5 of which are Missile, Cannon, Death and, Leviathan. Game Features Space Zombies Invasion: Players take control of a tank, and attempt to destroy the alien robots and advance into the enemy base, while a horde of Zombies try to stop them. 3 difficulty levels: Easy, Medium, Hard, allowing players to choose the difficulty of the game as they wish. 2 zombie types: Zombies, Bosses, with their own AI. 4 tank types: Tank 1, Tank 2, Tank 3, Tank 4.
