country. "I have already cleared the stage, and I've seen [the candidates], and we've really bonded together. I think I have the most diverse group out of the whole number of girls. We were really well matched all the way. The results were really just about luck," she told Africa O. According to Miss Cameroon, she has already been to Russia as part of the Miss Cameroon 2010 delegation, and enjoys her time there. "I was there the first time as Miss Cameroon. I'm going now as Miss Cameroon. I think it's really helpful to come and see what the conditions are like, and see the other candidates in what they're wearing, what they look like, and what the audience looks like." "But also, I think it's a little bit of a chance for the ambassadors to get a closer look at the venue e79caf774b
