The world is troubled by the strong influence of the dark guilds that have been emerging. The character's in-depth connection with the entire world, and the power to

What's new in Elden Ring:

The Tales of Berseria release date will be announced soon. Until then, check out some images of the game here and a review from on Jalopnik.

Tales of Berseria will be the first Tales game available on PlayStation 4. This is set for a Feb 21st release in Japan.

The Tales of series comes from developer FromSoftware. It's an action RPG series that became prominent for its use of storytelling and character development. The series has released a very popular game about a century ago, and multiple spin-off titles. This game will be the first to be available on PlayStation 4.

We've got a review from Daryl of the Tales of Berseria demo, but he also has a surprise trailer for the game below. It's pretty good, check it out!

Is your wallet ready to deal with a very high price tag? If so, Tales of Berseria is probably the game for you. If not, then stay tuned to Degobamo!, as we'll keep you informed about any Tales game soon to be announced.

The President said Donald Trump Jr was a very "honourable and smart person" who had been "loyal" to him. The Republican president is backing his eldest son, who is under intense pressure over his June 2016 meeting with Russians at Trump Tower. However, the President tweeted: "Don came to my office as he has done before regarding Russian adoption and entirely without a press secretary's even knowing, sat in front of me and had a very nice phone call." He added: "Don, who knows about them, read out a very nice statement that I must, under historic standards, give don the President of the United States. "This was a one hour meeting. I hope it's not spun, like Obama stories, as something sinister."Q: Adding an image to Asp.Net Application gives error I am uploading a profile picture using this code and the image is displayed @
